DEDICATION

During the 1983-84 school year, Coach Minnette began a wave of spirit, which flows throughout L.H.S. This spirit continues to unify students in the pursuit of success.

Jim Minnette graduated from Lewiston High School in 1965. He began his athletic career by participating in Varsity athletics: basketball, baseball and football. During his Senior year, Mr. Minnette was awarded the senior Elite Sportsmanship Award. Mr. Minnette, young and ambitious, returned to this, his alma mater, from LCSC in 1974.

Mr. Minnette teaches speech and P.E. classes. Also, he coaches the Varsity Basketball team. Coach Minnette is well-respected by students and colleagues alike at L.H.S. He is a spirited, hard-working individual who cares about L.H.S. and its students.

We dedicate our 1985 Bengal Yearbook to Coach Minnette in appreciation for his service and dedication to L.H.S.

The World of Wizards 103

Spirit . . . the Magic of Sports 116

Conjuring Cliques 164

The enchanting world of Homecoming Spirit Week! AND, OH WHAT A WEEK! Remember "Nerd Day?" Who could forget? Or, how about the powderpuff bout? A special feeling was in the air (and on the ground) as Seniors trounced Underclassmen (30-0). Or who could forget the chaos of hall decorating? There was a feeling of passing through a time capsule as one walked down the Homecoming halls. The inexperience of the sophomores who will never forget the feeling of "What now?" as they pondered their tropical fish and grocery store posters. Remember the juniors "Haunted Hall" with smiling ghosts and a massive garbage bag on the wall! Suddenly — almost as quickly as one had entered the world of horror — one exited — into a senior world of glittering gold. Homecoming! Success, happiness, excitement — magical moments so unforgettable.

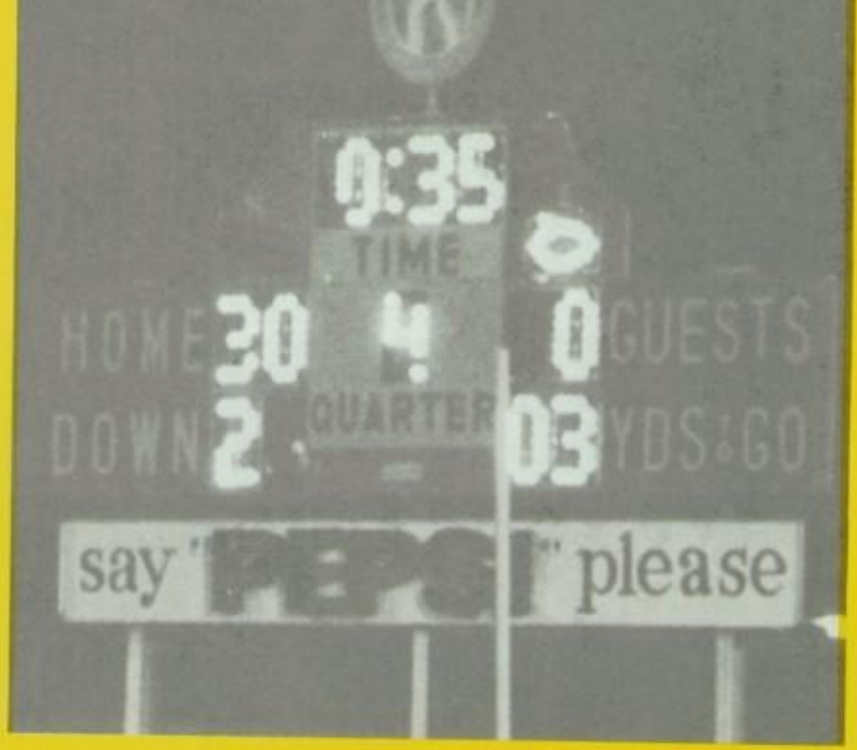
SENIORS SPELLBIND 'THEM'

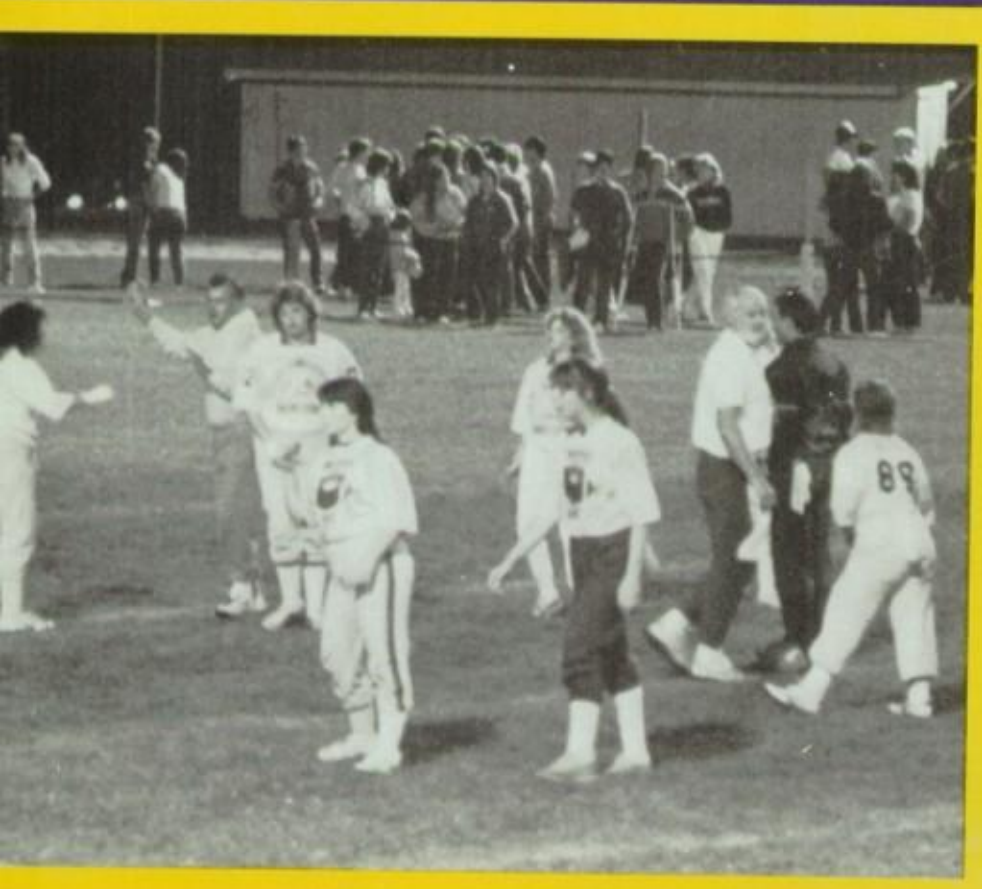
The high-powered Senior girls "kicked off" Homecoming spirit week as they defeated the underclassmen girls 30-0 in the powderpuff game.

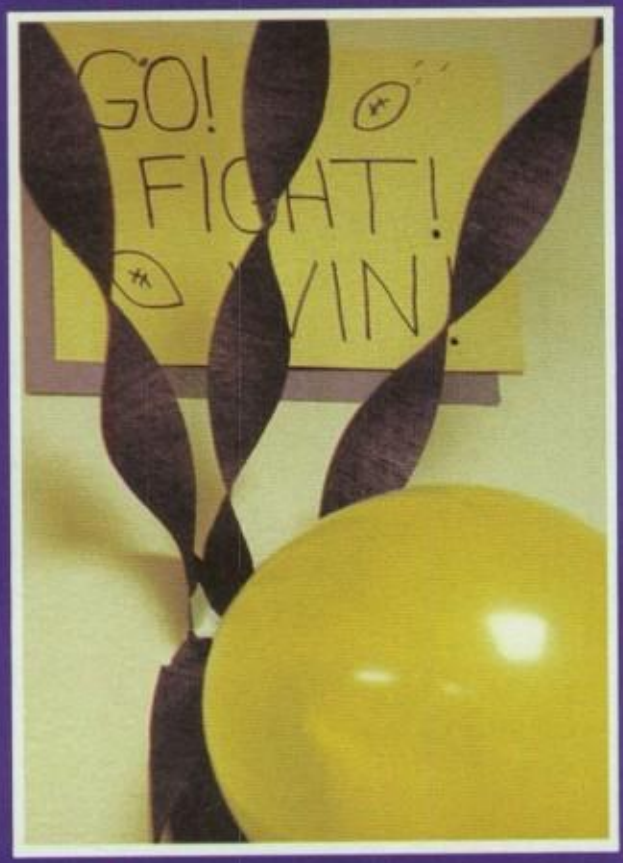
With the underclassmen barely able to move the ball, the Seniors dazzled the crowd and their proud coaches, both offensively and defensively.

Although the underclassmen exploited the Seniors with their exercise chants, the Seniors were able to prove that talent was the only true measure to success.

The night was a spectacular display of what Bengal Pride is "made of" as the enthusiastic crowd cheered them on.







GO!
FIGHT!

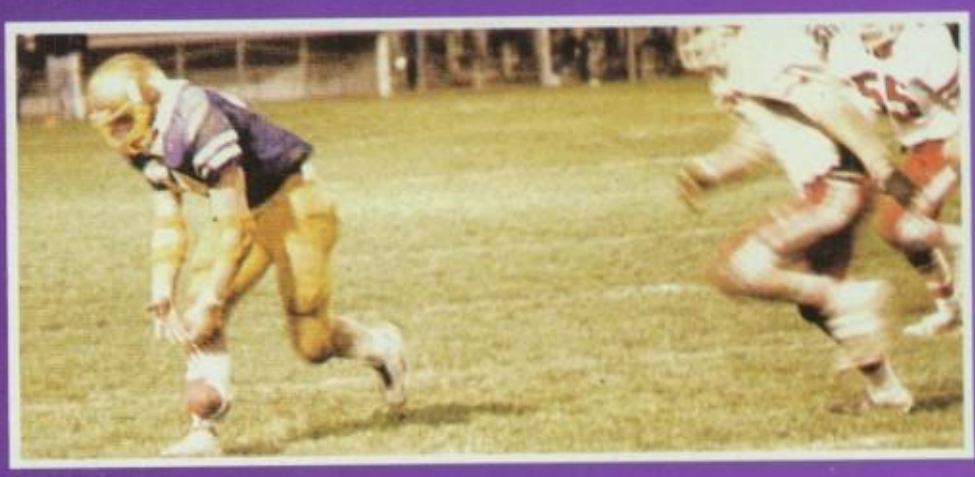
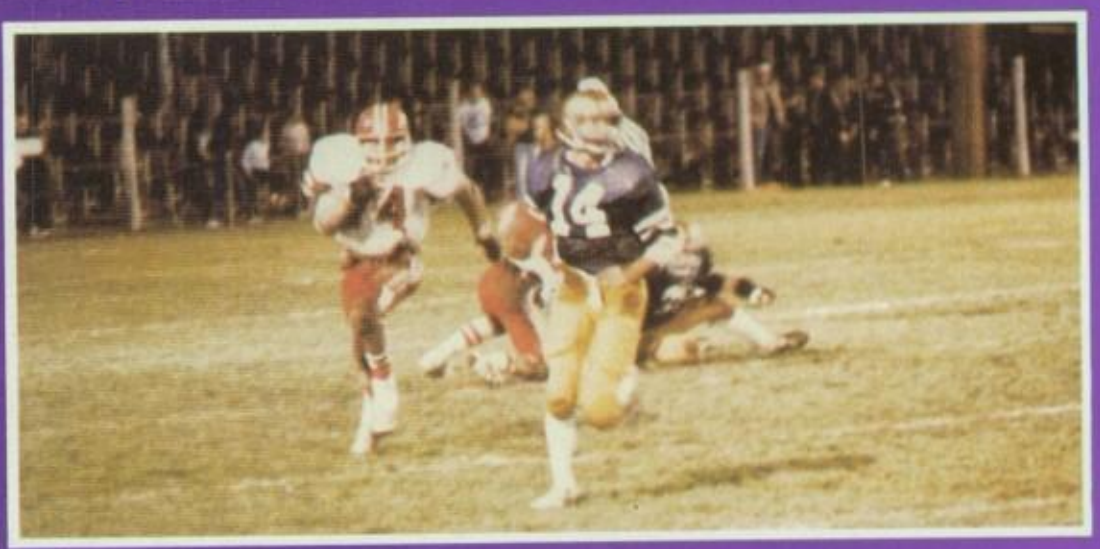
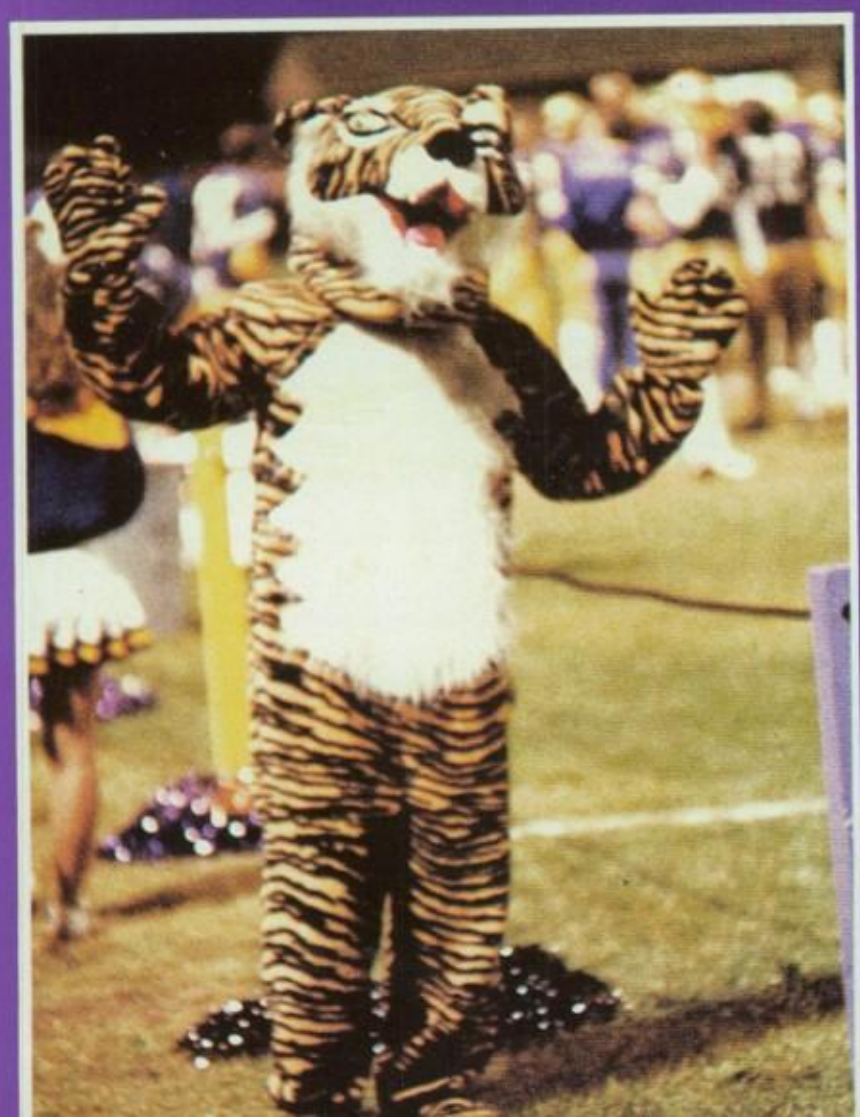
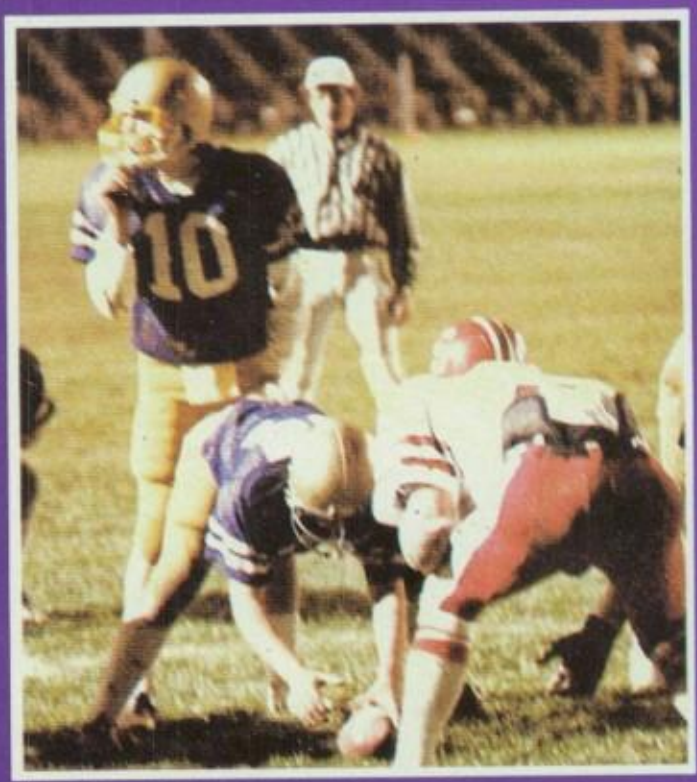
MAGICAL VICTORY '84

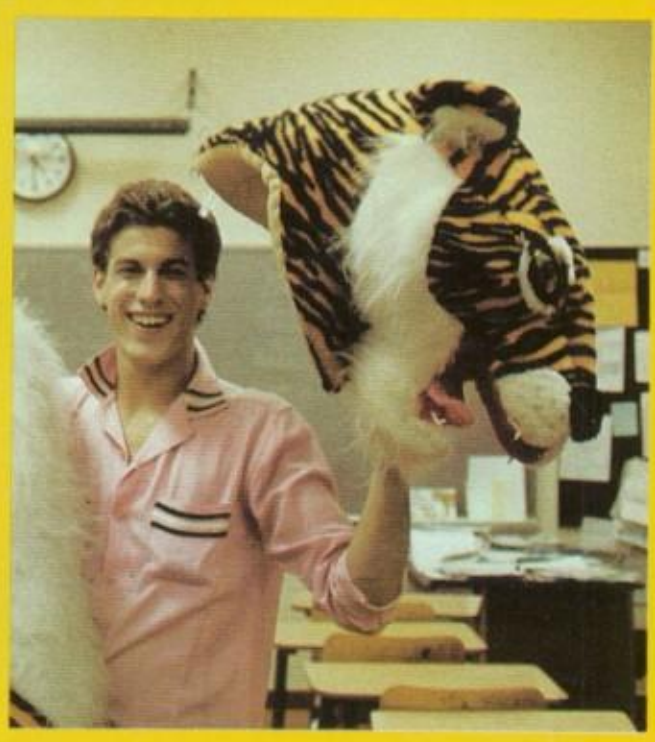
A spectacular game by our "Magical Bengal Football Team" topped Homecoming week. As the spectators stared in awe, the mighty Bengals ran over the Sandpoint Bulldogs. The Bengal quarterbacks seemed to cast a spell over the stunned Bulldog defense. The strong holding Bengal defense showed their presence by giving up a mere 7 points. Merlin the Magician would have been proud of our "Royal Bengal Football Team."











It must be magic, their hats don't fall off!

SENIORS . . . CASTING THEIR SPELL

A year of fun-filled times, remembering special moments and dreaming dreams of the future. A certain bond of magic held the Class of 1985 together, as the year progressed to a long-lived dream: graduation.

The class officers led the Seniors to a victory in the Homecoming Hall decorations. Sponsoring the Senior Ball in January was a magical success full of excitement and sparkle. Liming the "L" on the Lewiston Hill and holding the Senior Luncheon in the spring ended the year on a magical upnote for the Seniors.

A special thanks to the class officers for a job well-done!

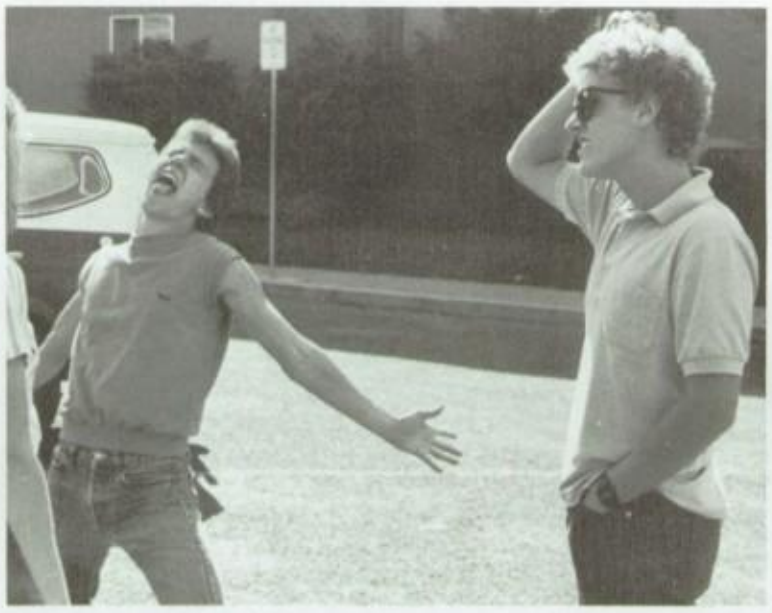
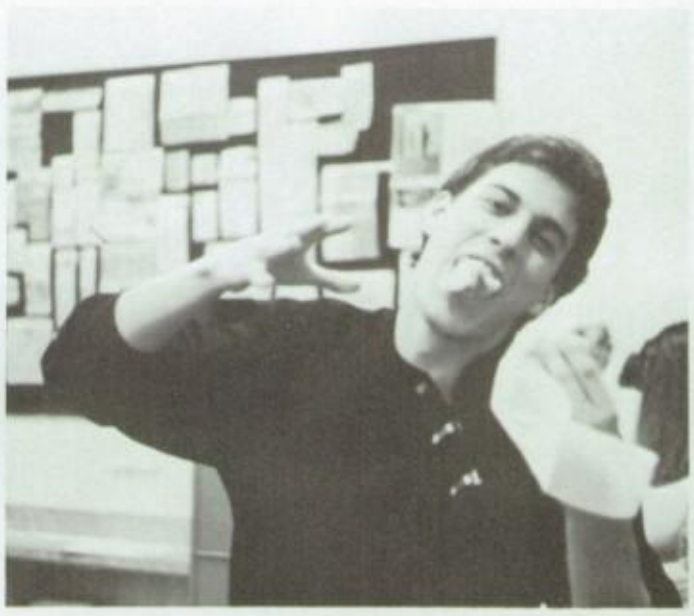
SENIORS: Magical Memories of Magical Times!





Now you see them . . .

Now you don't . . .

Disappearing Seniors, was it magic or senioritis?

Horny???

In Memory of
Sherri L. Boson

Friends

Packing up the dreams God planted,
In the fertile soil of you,
Can't believe the hopes he's granted,
means a chapter in your life is through.

But we'll keep you close as always,
it won't even seem you've gone.
'Cause our hearts in big and small ways,
will keep the love that keeps us strong.

Friends are friends forever,
if the Lord's the Lord of them.
And a friend will not say never,
'cause the welcome will not end.

Though it's hard to let you go,
in the Father's hands we know,
that a lifetime's not too long . . .
to live as friends.

With the faith and love God's given,
springing from the hope we know.
We will pray the joy you'll live in,
is the strength that now you show.

But we'll keep you close as always,
it won't even seem you've gone.
'Cause our hearts in big and small ways,
will keep the love that keeps us strong.

— Michael W. Smith

OUR GOLDEN YEAR

A senior year full of glitter and gold
To forget the meek, and become the bold.

Although good-byes will be said, we've got this year together,
To make lasting memories that will live at L.H.S. forever.

Not just a few, but all of us will strive.
To make a golden year for the class of '85.

Throughout the years, we've known defeat.
This year only celebration for the victories we meet.

It takes sparkle and glitter and a special shine,
To turn a class to gold, like grapes are turned to wine.

While our Royal Bengals pour it on, we'll all stand by and cheer,
It's not just a year of being the best, it's our special "golden year."

Each class has had great leaders, or so we've been told,
This year we'll show L.H.S. our Pride in our purple & gold.

Something different is happening to us all,
Maybe that magic feeling, when we walk down Senior Hall.

All those years we awaited, when we hoped "our time" was near,
It finally has arrived. "It is our Golden Year."

We've made our class outstanding by each gift we possess,
Not just remembered as great, but remembered as *the best*.

Let's each let loose ambition, from deep inside,
Let's take that first big step, Let's take it in stride.

Years from now, we'll wipe away a tear,
Remembering the Class of 85's shining Golden Year.

— Raydeane Morgan

Alyne Brown, Jaime Young, Ken Fielding, and Lori Andersen, Junior Class Officers.

Entranced Juniors

Entranced by their hopes and dreams for their Senior year, the spirited Beavers pulled together to make the year unforgettable. Despite being stuck in the middle, the Junior class officers made Homecoming Hall decorations and the Spring Prom events of the year that made lasting impressions on the entire student body.

Foreign Exchange Students

Kentucky Fried Chicken, hamburgers, snow, mountains and the friendly atmosphere of LHS seemed to be among the favorites of this year's Foreign Exchange Students. They love the many extracurricular activities that LHS has to offer.

Bartjah went as far as playing a lead role in the school's play The Diary of Anne Frank. Brazilian exchange student Ana experienced her first white christmas in Lewiston. Vivian mistook handcream for cheese, while Peter seemed to be hooked on Mexican food. Rocio has fallen in love with Idaho's weather and four seasons.

These experiences have not only benefited the exchange students but the entire student body as well.

Frank Bruneel, the chief executive of the Lewiston School Board, presides over a committee of seven members. The Board includes five elected members and one appointed clerk. Dr. Cassell, Superintendent of Schools, is also a member of the Board. Marcia Ney serves as Vice-President of the School Board.

Most of the board members are concerned with district policy as they have children attending schools within the district. Their duties range from hearing complaints to formulating district policy. They feel their jobs are very important in that the youth of today are the leaders of tomorrow.

THANKS . . .

Have you ever wondered who those people in yellow jackets were cheering for the team and screaming at the referees? Those people are better known as Bengal Boosters. Without these people many athletic events at the High School would not be possible. The students at LHS would like to thank the Boosters for everything they provided and the support they have given. The Boosters are magical, they make things happen.

It was a Starburst of magic as the Bengals broke forth with five memorable, if not magical, games in a row before a stunning near defeat of Boise. After a loss to Coeur d'Alene the fighting Bengals, with a few tricks up their sleeves, came back to capture a win over the Sandpoint Bulldogs to highlight Homecoming Week. Keeping it under their hats after two defeats, the Bengals ended the season by shutting out Caldwell, 44-0. That final victory ended the 1984 football season with a 6-4 record.

With the wizardry of first-time coach Jim Wicks, the Bengal J.V. football team amassed an impressive amount of offensive yards. The J.V.'s had a charmed season, with the offensive team scoring phenomenally and the defense defending demonically.

Cookie, Ney, JJ, Blaz, Moose, Willy, Ail, Young, Brams, Wise, and Has, sounds like a jumbled up mess but really it is the Varsity Basketball team. Their slam-dunks, blocked shots and tough defense mystified their opponents and the crowd. Coach Minnette's team had a desire and a will to win and that's exactly what they did, win. The reorganized team led by Ail and Young proved the real strength of the coaching and drive. Three cheers for Coach Minnette and his "bouncing" Bengal boys.

SOFTBALL FEVER 1985

With a positive outlook on the year, and determination by the eleven returning lettermen and the eight new faces — How bad could a team be? A magical success was the '85 season for the LHS softballers. Coach Bennett, in her second year at LHS, led her girls to victory after victory throughout the season. Senior leadership and team unity was the key to their magical success. Coming off a second place victory at state last year, gave the team a goal to take first place victory in the 1985 state tournament.

The Golden Bengal Track Team had another very magical season full of success. Not only were there new faces on the team, but also in the coaching staff. Curtis Johnson, the new girls' coach, brought the program new experience and knowledge. The 23 returning lettermen offered a strong core for the coaches to build around. Competing with teams all over the Northwest was found to be not only challenging, but also rewarding. Congratulations, Bengals; for your effort and success.

A.S.B. OFFICERS

The 1984-85 school year has been a very unique experience for me — one I will never forget. Being ASB President has taught me just how much effort it takes to keep a school and its activities running smoothly. I would like to give a special thanks to my second hour class, namely the other ASB officers, varsity cheerleaders, and the Senior Class officers. Their support enabled me to carry out my duties as President to the best of my ability.

I would also like to give a very special thank-you to Mr. Mikkelson, who gave me lots of advice throughout the school year.

Last, but *definitely* not least, I would like to say a big thanks to you, the student body, for electing me to such a position of honor and responsibility — trusting me to represent this high school for a year.

Deadlines, late nights, job stamping, M & M's, and computer printing are only a few of the many memories the '85 yearbook staff will NEVER forget. "Pass the cropper," "get me a quad-pak," "sharpen my grease pencil" are yearbook terms used daily (and nightly) in the back corner of Room 201.

The 1985 staff, 17 talented souls who didn't know what they were getting into when applying. Each staffer went through changes that could be seen as the clock crept into the wee hours of the morning. Tom became a coffee lover, Tracy jumped at every bell, Kathy and Darci amused themselves by throwing pencils, as Toni, Diana, and Terri raced in the bathroom chair. Steve and Dave worked diligently at the computer, Kevin, Donna, and Bill talked cameras, while the five gossips: Kim, Andrea, Dawn, Heidi, and Lia talked about their plans for the weekend. Scott and Jeff, the two most camera-shy staffers (ha), avoided Mr. Ohrtman better than all the rest.

Yearbook, the production of a memory, and the many memories the 1985 staff had putting it all together as a whole. The 1985 Bengal, A Golden Memory of Magic.

BOYS' AND GIRLS' STATES 1984

Boys' and Girls' States. What an experience! Can you imagine being a governor, senator, or representative? Well, these students got a chance to try out their talents and skills as leaders in government. They attended a one week conference with other students from the state of Idaho. (Boise for the boys, and Nampa for the girls.) They actually ran a governmental system during this week. Political rallies and mock elections took place all week long. On the last two days, elected officials took over the capitol building and ran the system.

Friendships that will last a lifetime should be valuable lessons for the future were a few of the things gained by these students.

BENGALETTES

One word describes the Bengalettes, "Classy." Their enthusiastic smiles and sparkling performances can be seen during assemblies, football games, wrestling matches, and basketball games.

L-CLUB

L-Club or Letterman's Club is an organization put together by the students themselves. It is made up of the persons, male or female, who have received the prestigious "L."

L-Club is an active part of several different things. One example would be the creation and upkeep of the display cases in the foyer of Booth Hall, to bring recognition and publicity to both the activities and people who are active in today's Lewiston High School.

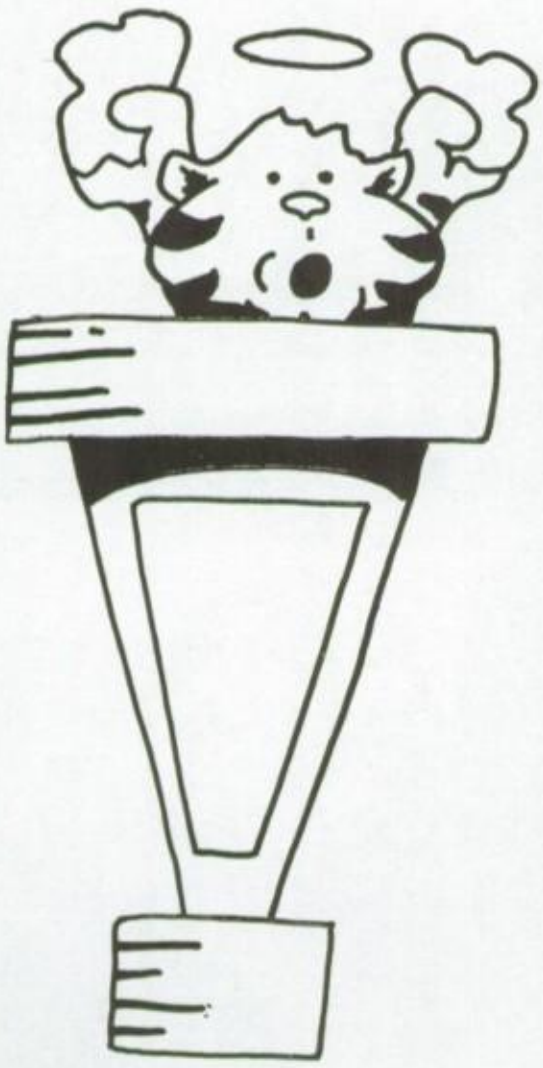
GOLDEN-TONGUED DEBATERS

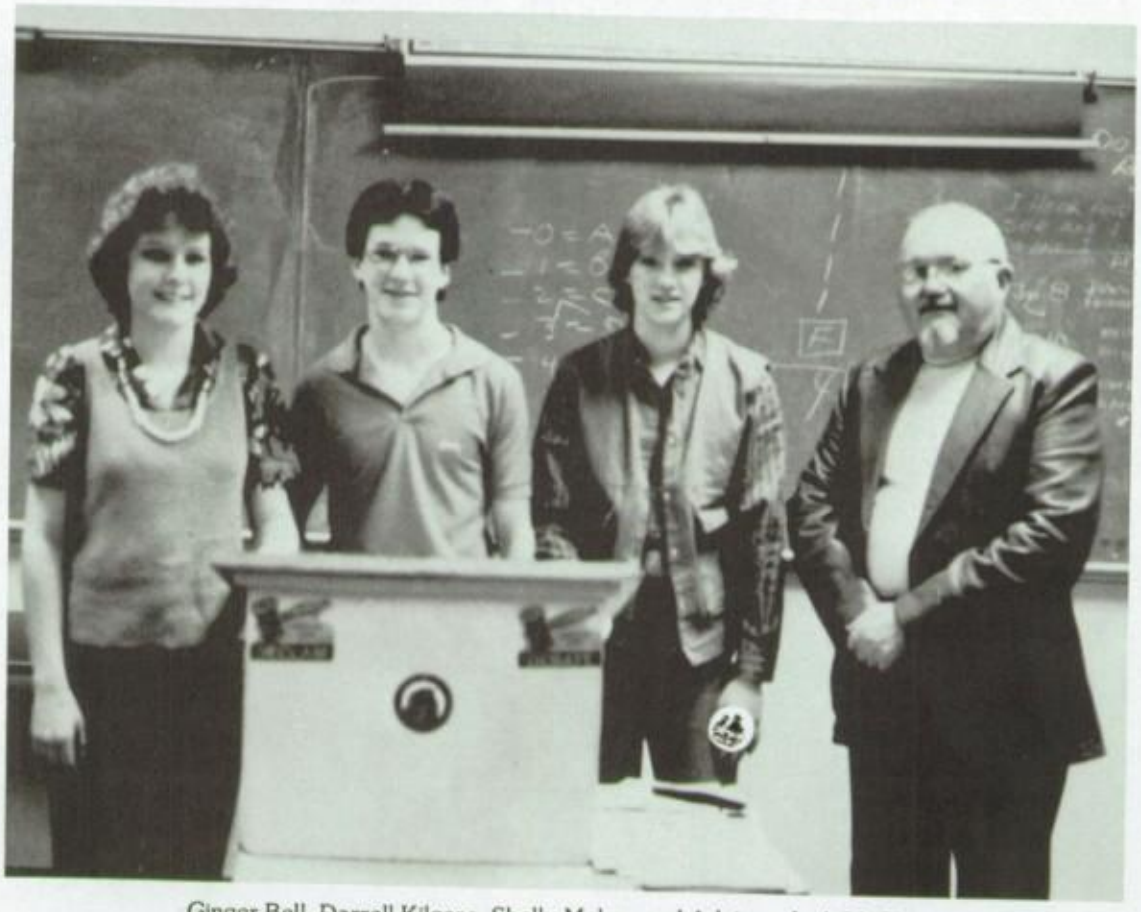
Front Row — Shelly Meloy, Darrell Kilgore, 2nd Row — Kirt Hilbert, Mike Squires, Paul Kenyon, Pat Pelton, Wayne Fellows, Advisor: Jack McGee, 3rd Row — Holly Tietzel, Dan Imthurn, Steve Gussenhoven, Kevin James, Paul Reed

Sesame seeds! NO, Sesame Street! Open Sesame! That's it! Some people can always think of the magic words. Those are the kind of people who are on the LHS Debate team. They compete, or you might say debate, against teams from California, Montana, Washington, and Idaho. The debate team competes against four schools from a league in the second district monthly.

Being in Debate requires work researching, taking notes, practicing, and listening, but the work is definitely worth it. Not only do the debaters have the satisfaction of a job well done, but there is also the chance of receiving a scholarship.

DECLAMATION





Ginger Bell, Darrell Kilgore, Shelly Meloy, and Advisor, Jack McGhee

The wizards of words do interpretive readings on 14 magical topics. Declamation students travel throughout the region to participate in regional debates. At the State Competition, in the spring, the most magical speakers are awarded trophies and numerous scholarships.

LIBRARY CLUB

Front Row — Helen Sharp, Terina Charpentier, Tami Cowger, Kelly Kinyon, 2nd Row — Christy Woodland, Nan Snyder, Frankie Dillon, Darlene Babb, Tracy Knight, Joelle Peterson, 3rd Row — Robby Williamson, Jim Edmison.

Officers: Terina Charpentier, David Hannas, Tami Cowger. Advisors: Mrs. Jasper, Ms. Hill.

The library club consists of students at LHS who have been or are in some magical way involved with the school library. A Golden rule of the library is silence, so beware or a member of this club may be after you if your noise level rises above all others.

WHIZ KIDS QUIZ

What were Jason and the Argonauts in search of? What is the chemical symbol for gold? What? You don't know! These high school bowlers do. Under the coaching of Garry Bush, they study and play practice matches every week, as well as games against the faculty, and other area high schools. Last year, the team qualified for the National Tournament in Dallas. What magical power do they possess and you don't?

El Club de Español

Le Cercle Français

Mothballs or goodies? What would be in the rows of shoes that awaited the arrival of the Reyes Magos on Mr. Ohrtman's front porch? The annual Spanish Club nacho video party ended Epiphany season with goodies, not badly needed mothballs. First semester energies centered on the tri-club Christmas dessert, and T-shirts, while second semester was ushered in by the Olympic efforts of the officers. The international dinner, a picnic and sweat producing athletic challenges highlighted Spring events.

This year produced another bumper crop of French clubbies, no doubt attributed to the great foods of the homeland and the pool at Gauche's. Several parties were scheduled for the club throughout the year. The members did a great job of convincing poor suckers to purchase candles as a fund-raiser under the scam of going to Victoria, B.C. in the spring.

GERMAN CLUB

Front Row — S. Benson, H. Hastins, S. Evers, B. McMinn, D. Hinman, 2nd Row — C. Johnson, F. Paulat, A. Seehafer, K. James, 3rd Row — S. Saulls, A. Toulou, G. Turner, Advisor — Miss Hilliard.

Sprechen Sie Deutsch? If you can understand that you are probably a member of the German club. This year the members baked pretzels, sold advent calendars, and jogged all to earn money for their annual trip to Leavenworth in May.

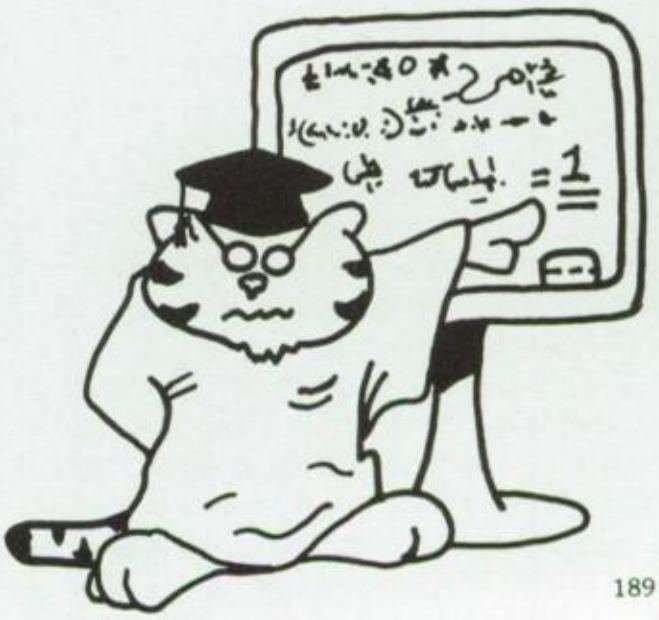
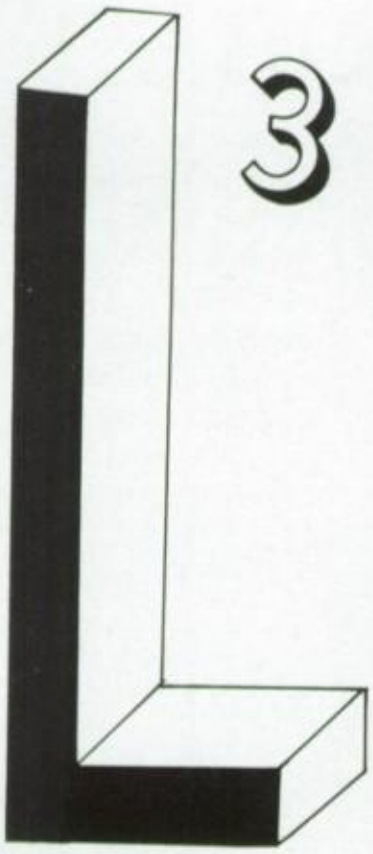
Science club conjured up a great plan for going on a field trip to W.S.U. — a learning experience, visiting the various science departments at the school. They also found time to take in the scenery?!! The dairy was a great place to stop for sundaes.

Front Row — H. Hastings, L. Hoglan, B. Flemming, K. Bentz, J. Hoffman, C. Johnson, 2nd Row — T. Peel, K. Karlberg, H. Smith, E. MacDonald, A. Toulou, S. Saulls.





Officers: J. Wilson, K. Beck, K. Conder, V. Wyatt.

Front Row — L to R: Kim Beck, Kym Conder, Valerie Wyatt, Jane Wilson, 2nd Row — Carmen Johnson, Bobbi Flemming, Wenday Stuart, Tina Curtis, Blake Dahlgren, Jill Hoffman, 3rd Row — Lia Sutton, Becky Fox, Darci Daehling, Ute Burkhardt, Kalyn Karlberg, 4th Row — Keri Bentz, Tracy Steed, Kathy Kenyon, Pam Stone, 5th Row — Lois Von Tersch, Andrea Arnone, Jill Daubert.

L-Cube is an organization for Senior girls who have an accumulated grade point average of 3.0 and are involved in at least three extra-curricular activities. These Lewiston Loyalty Leaguers serve the high school and the city by helping out at plays, festivals, and organizational functions.

Purple and Gold is the only club at the high school that is open to all girls. Their seasonal bulletin boards added a touch of magic to the hallways throughout the school year. Hosting the Father-Daughter tea & the Mother-Daughter Banquet are only a few of their activities.

This year FHA has had many fund raisers, from selling popcorn balls to sending candied messages for Christmas. In October, four members went to a District Convention in Cottonwood, and in the spring the members attended a State Convention.

Auto Shop — The Midas Touch

Have you ever thought about the Auto Club at LHS? Then you have probably wondered what they really do. They were responsible for the blood drive in December and were the courteous waiters at the Mother-Daughter Banquet. The activities the Auto Club members participate in are trouble shooting, pizza parties, barbeques, and a camp-out at the end of the year to send their seniors off with a good memory of the club and the year.

Machinists Club

As a club the Machinists engaged in activities such as having a Thanksgiving dinner, a Christmas party, helped the Roundup Association, painted the curbs yellow, and had both a Fall and Spring outing. They are also the distinguished people you see ushering at plays and basketball games.

A few days a year he puts his other foot forward as a member of the Idaho National Guard.

Those few days a year really pay off. . . with a regular monthly paycheck and tuition assistance that pays for a good share of his college tuition-as much as $1000 each year for four years.

Lewiston High School had an outstanding representation at the two weeks that prepared Idaho's future business leaders for the free enterprise system. Our students were enlightened by the likes of J.R. Simplot. Boise State University provided an excellent setting and atmosphere for the program. Unfortunately, a few campers suffered from a vengeful cook's handiwork at breakfast. The pool parties were an enjoyable break during the 'sweltering' heat of our capital city, while dorm advisors were unanimously . . . 'disliked.' For those of us who attended, remember that computer whiz who always seemed to make more money than you . . . probably because he was listening to the lecture and not gawking at some "babe" from out of town.

SADD, or Students Against Driving Drunk, is a brand new club for 1984-1985 at L.H.S., however, the membership already exceeds 80. This club's main goal is to prevent drunk driving accidents and to promote positive peer pressure in reference to drinking and driving.
